### ➤ **Deakin Explore**

In 2016, Deakin University launched an excellent Web App called [Explore Deakin](#). This resource allows students to kick-start their course and career exploration. Students can start with courses that lead to a career, or start with careers to find courses that lead to it. Students can filter courses and careers by what matters to them; each course and carer lists others that are similar thus allowing students to broaden their options, and students can save their favourite courses and careers to access later, and even share them by email, Facebook and even Twitter.

### ➤ **Bachelor of Medical Imaging at Deakin**

Deakin University offers a 4-year Medical Imaging – otherwise known as Medical Diagnostic Radiography – at its Geelong Waurn Ponds Campus. The course provides students with the opportunity to develop the knowledge, skills and clinical expertise for them to practise as a registered diagnostic radiographer once accredited by AHPRA. The program students get to use the latest equipment, and learn basic x-ray techniques, before advancing to more complex medical imaging procedures such as general radiography, digital vascular imaging, mammography, computed tomography (CT), general ultrasound (U/S) and magnetic resonance imaging (MRI).

Students undertake substantial clinical practice in clinical centres, medical imaging clinics and hospitals, as well as at Deakin's own three-roomed, state-of-the-art medical imaging training unit. Clinical placements typically take place at facilities across rural and regional areas of south-west Victoria. Interstate placements may be available at the expense of the student.

Other areas of study include medical radiation science linked to principles of medical imaging, biological sciences, plus important ethical and legal aspects of health care that will inform and support your future clinical practice.

The VCE entry requirements are Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; and a study score of at least 25 in one of Biology, Chemistry or Physics; and a study score of at least 22 in one of Maths: Mathematical Methods (any) or Maths: Specialist Mathematics.

**Subject Bonuses** may also be awarded: A study score of 40 in any English equals 3 aggregate points per study. A study score of 35 in Biology, Chemistry, Maths: Mathematical Methods (any), Maths: Specialist Mathematics or Physics equals 3 aggregate points per study. A study score of 35 in any English equals 1 aggregate point per study. A study score of 30 in Biology, Chemistry, Maths: Mathematical Methods (any), Maths: Specialist Mathematics or Physics equals 2 aggregate points per study. Overall maximum of 10 points.

### **SWINBURNE EARLY LEADERS PROGRAM (ELP)**

The **Early Leaders Program (ELP)** enables students to identify, catalogue and articulate their learning experiences - both in and outside the classroom - providing students with a portfolio of skills, which can be used to seek tertiary education or employment.

This program has been specifically designed for Year 11 students who want to [maximise their employability and potential for career success](#).

Swinburne's ELP is an assessed program for students who can demonstrate their applied knowledge and skill within a particular area. It recognises many of the activities secondary students are already involved in and encourages them to expand their knowledge.

Swinburne's ELP is made up of **four categories** that are designed to challenge a student's knowledge and skill within a chosen area.

Students must complete both core categories and choose one elective to be awarded credit:

- Research/Academic skills (core)
- Career Development skills (core)
- Creativity (elective)
- Community engagement (elective)

Each category has activity requirements that students must meet in order to demonstrate their skillset. They will also need to create links between these activities and the skills that are required for further study and employment. On successful completion, students are awarded credit towards the Swinburne Emerging Leaders Program, which is for current Swinburne Students.

So, what are the benefits of participating in the ELP?

The ELP has many benefits for students and provides a valuable resource for use in applications for employment and further study.

Benefits include:

- Endorsement of the student as a Swinburne Early Leader candidate and Swinburne representative for their school
- Successful ELP students will receive an award badge, certified by Swinburne
- Invitation to one-on-one personal course counselling prior to the VTAC application close date or anytime thereafter
- Free VCE revision tickets
- Personal invitation to all relevant Swinburne events

**All Year 11 students are encouraged to apply. The Early Leaders Program will commence 8 March 2017. To find out more about this free program, register at [Early Leaders Program \(ELP\)](#)**

## **CAREER IN EVENT PLANNING**

The Good Universities Guide indicates that an **event planner** or **event coordinator** plans and organises special events, including parties, wedding receptions, product launches, banquets, meetings, conferences and conventions. Successful event planners –

- enjoy working with people
- good organisational and time management skills
- have very attention to detail
- good interpersonal and supervisory skills
- good communication skills
- neat personal appearance
- comfortable working with computers
- able to negotiate, delegate and work under pressure

Depending on the size of the establishment, events coordinators may work independently or as part of a team. They often work irregular hours, and on weekends and public holidays. **Learn more at [Good Universities Guide - Events](#)**

### **EXPERIENCE LA TROBE DAY**

**Experience La Trobe** is designed especially for Year 10, 11 and 12 students to get a taste of what it is like to be a university student for a day and get the inside scoop on what really happens after high school. Students may participate in workshops of their choice, find out about student life and also check out the **Melbourne campus**, including student accommodation. University students and staff will be there to help participants out and answer any questions that might arise. **Experience La Trobe** is a *free* event - with lunch and entertainment provided! The **Melbourne campus** event will take place on Friday 7 April 2017.

Register at [Experience La Trobe](#) to be kept updated as to when actual registrations open!

- **ASPIRE** – La Trobe has offered the ASPIRE program for three years now. ASPIRE students have shown a **significant commitment to their community** through volunteerism, service and leadership. As a result of this, ASPIRE students are able to access a place at La Trobe on a **significantly lower ATAR** than otherwise required. Many employers indicate that volunteer experience gives candidates an **advantage**, and ASPIRE students are leading the way in employability. More information on applications for 2018 later.
