The National Assessment Program – Literacy and Numeracy (NAPLAN) is administered each May for Years 3, 5, 7 and 9. These tests provide part of the data that Overnewton Anglican Community College uses to evaluate student’s growth and inform teaching and learning pedagogy. While NAPLAN results are a ‘snap-shot’ of student understanding they give our College a benchmarked measure for individual students and cohorts. The above graphs show the percentage of students at Overnewton above the minimum level of achievement from 2012 – 2016.
