ASSESSMENT

Students will be assessed on a variety of tasks throughout the course. These will include: the production of video sequences, print layouts, multimedia tasks, oral presentations, short written responses, and tests.

Please Note: A subject levy applies to this subject (see Subject Cost Schedule for details). Students wishing to undertake this subject must have access to a video camera, and be able to bring it to school on occasions as required.

“Year 11 Media builds a bridge between the practical and theoretical components of media, allowing us to explore how we absorb information in our world. The creative tasks in the subject allowed it to be a fun and engaging subject while still provide really interesting information about the how we consume and distribute media!”
