
Study Expectations in Senior School

STUDY EXPECTATIONS

There is a clear expectation upon undertaking a full Senior School academic program that the following undertakings will be met:

1. As older adolescents, students accept responsibility for their own learning.
2. Due dates are met.
3. Class time and study periods are used effectively.
4. Students actively participate in all study skills development sessions.
5. Students actively participate in any mandated revision program in the lead up to examinations.
6. Students undertaking a Unit 3 and 4 study will attend the second week of the September holidays to undertake practice examinations.
7. Students and parents accept responsibility for notifying staff of absences via a signed note or email from parents/guardians.
8. Year 10 students complete work experience during the year.
9. Year 12 students complete a minimum of six past examination papers in preparation for end of year examinations and read relevant examiners' reports.
10. Mid year and end of year examinations are completed within specified guidelines.
