

Admissions Policy

The College Board has set down the following information for parents/guardians of prospective students concerning its general policy with respect to the admission of students.

1. The Principal shall determine the number of places to be available at any level for any year.
2. In accepting an offer of a place for a child the parents/guardians complete a contractual agreement with the Board and thereby become subject to the Business Regulations of the Board.
3. In the event of the number of applications at any one level exceeding the number of places available, an order of priority shall be determined having regard to:
 - (A) The capacity of the College's program to make a contribution to the child's growth and development.
 - (B) A family's previous involvement within the College.
 - (C) The date an application is received.
 - (D) Any special circumstances.

Conditions of Enrolment

1. An 'Application Form' must be completed for each student applying for enrolment. This form must be accompanied by the application fee which is non-refundable. (Refer current fee schedule)
2. Each prospective student's name will be placed on the College's waiting list on lodgement of the application for entry. Such placement of name does not constitute enrolment.
3. In the case of a student transferring from another school, the applicant's most recent academic reports are required prior to enrolment at Overnewton Anglican Community College (OACC).
4. The College Principal reserves the right to decline the enrolment of any prospective student without disclosing any reason for doing so.
5. All applicants are required to attend an interview at the College prior to commencement. This is to ensure that, as far as possible, those who are accepted are likely to benefit from the courses provided.
6. When enrolled at the College, students and parents are bound by the rules and regulations authorised and initiated by the Principal for the good running and conduct of the College.
7. Parents will co-operate with the College authorities in all matters of discipline and obedience of school rules. The College reserves the right to discipline, suspend or expel any student.
8. All students will participate in compulsory study of the Christian faith including attendance at scheduled Chapel Services and Anglican celebrations and participation in the Divinity program.
9. Parents agree to complete the required hourly contribution to the Family Involvement Program.
10. Once an Application for Enrolment form has been lodged with OACC, families will receive communication from the College annually to up date and maintain their details. However, families will only be contacted with regard to their child's/children's enrolment if and when a position can be offered.
11. Permission is given to Overnewton Anglican Community College to contact any of the following people in order to establish their child's readiness for school: kindergarten/prep-school director, previous school or child care facilitator.

9. A student may not be permitted to commence a new term while any part of the fees or charges remain unpaid.
10. No deduction can be made on account of absences, as the expenses incurred in maintaining efficiency of the College are not lessened by the temporary absence of individual students.
