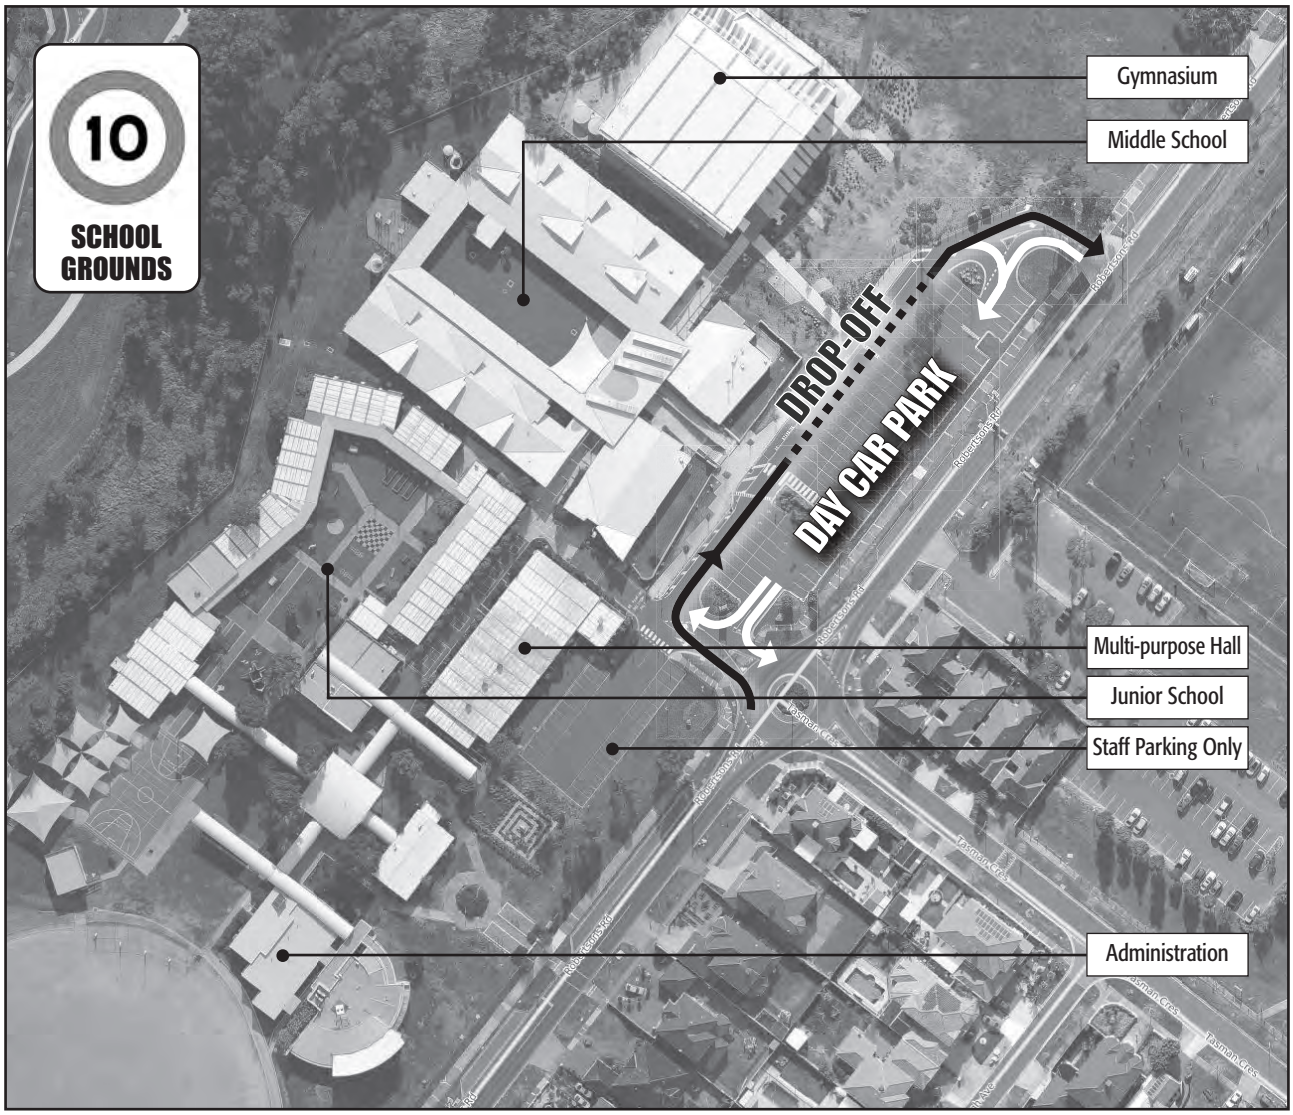
Taylors Lakes Campus: Junior School Arrivals and Pick-ups via student drop-off zone.

- ❑ Families that prefer to drop their children off in the morning and pick them up at the end of the day without having to park their vehicles can use the drop-off/pick-up zone. This area is designed for vehicles to pull in for a short period of time **(3 minutes maximum)** to either drop off or pick up children, and then pull out again into the main traffic flow through the car park.

- ❑ The drop-off/pick-up zone is not meant to be an area for vehicles to park and wait for children to arrive. If children are not at the drop-off/pick-up zone when parents arrive, parents are are required to do another circuit to keep traffic flowing, or park in the designated car park. Drivers using the drop-off zone **must remain with their vehicles under no circumstances may cars be left unattended in the drop-off zone** (if you need to leave your car you must park it in the designated Car Park). **Parents are not to use the staff car parking area to drop off and pick up children.**
- ❑ Please respect the four disabled parking spaces and leave them for the members of our College community that have permits to park in those spots.


Parents are reminded that bus zones are strictly no standing areas and road traffic fines apply. Extreme care should be taken when approaching the school crossings. A 10km speed limit applies throughout the campus grounds.
