

Our Master Plan

In an exciting development, Overnewton Anglican Community College is moving into the future with a new Master Plan that covers both of its campuses.

Students are at the beginning and centre of all decisions made for the College.

Therefore, from 2020, Overnewton's two Junior Schools will be combined into one at the Taylors Lakes Campus, and the two Middle Schools will become one on the Keilor Campus.

The consolidation is an extension of our 2017 Strategic Plan, 'Taking the Alpha Generation to Excellence'.

The Master Plan has been adopted by the College Board after careful consideration of all factors, including advice from education and financial experts.

Class sizes will remain the same, and Overnewton is focussed on an even greater sense of 'being, belonging, becoming'.

The Master Plan aims to deliver

- ✓ Better Education
- ✓ Better Facilities
- ✓ Age-appropriate, Purpose-built Spaces
- ✓ Exciting New and Well-Resourced Programs
