Give details of why you would like to join the team to go to Zambia in 2017.

(If more space is needed, please attach another sheet.)

What skills do you think you could contribute to the team?

The team will require people with a range of skills. The tasks undertaken will depend on the needs of the Chibobo Community. However, where a person possesses specific skills, we try to make use of these where possible. **Please do not let a perceived lack of skill or trade stop you from applying.**

The following procedure will be followed in the selection of trip participants:

- Applications are to be submitted as soon as practicable to Mike Lampard or Di Nunan.
- An interview will be held before the end of 2016.
- Selection of the team will follow the interview process.
- Successful applicants will be notified before the end of the 2016 school year, or soon after the interview. At this stage a deposit of \$500 will be required.
- In early 2017 a series of preliminary trip information meetings will be held to provide further information.
