

# THE ENGINEERING LINK GROUP

Forging Links Between Schools and Industry

## ENGINEERING LINK PROJECT

Are you in Year 10, 11 or 12 and wondering how you can use your love of Science and Maths in an exciting career?

Want to meet like-minded people who share your passions?

***You need to be at La Trobe University in September!***

Join us for two days of hands-on engineering projects where you'll work with La Trobe Uni and industry engineers.

Work in project teams to solve real engineering problems!

Projects in disciplines such as Civil, Electrical, Mechanical, Aeronautical, Environmental and Robotics Engineering.

Discover what engineering is REALLY like (and how fun and fulfilling it really is!)

Work in world-class facilities with world-class engineers!

Work with real engineers

Work in groups solving hands-on engineering problems

Extend the maths and science you learn in school

*At first, I was unsure about choosing engineering as my future career path, however after experiencing the schools and disciplines of engineering, I found that it was a career path that I would like to pursue in the future.  
(Anne-Marie)*

**La Trobe University, Melbourne**  
Sept 26 & 27, 2016
