OVERNEWTON PARENTS' AND FRIENDS COMMITTEE 2017/18

Overnewton College is proud of the contribution that its families make in many areas of the College. A major part of this involvement is the Family Involvement Program – this unique concept is a part of what makes Overnewton such a unified community.

In addition to overseeing the volunteer workforce the Parents and Friends Committee is involved in many other important tasks including fundraising.

Elections for new committee members are held every November and it is important that we are able to draw on the experience of parents who have been at the College for a long period of time as well as those who are new to the College.

Parents that are interested in becoming a member of the Parents and Friends Committee must be nominated for election by two people who are members of the Parents and Friends (all parents of the College are members). Therefore, if you would like to be nominated or if you would like to nominate another parent this “Nomination Form” must be completed and returned to Reception at either the Keilor or Taylors Lakes Campus by 10th November, 2016 addressed to Parents and Friends Secretary. Faye Colaco. Please also confirm nomination by phone to Faye 0434 020 111
