## Mummy Matters

Melbourne Fringe Festival, performer, broadcaster and author, Libbi Gorr, will showcase a core jolting and hilarious expose of the motherhood myth.

The Mummy Matters show chaotically mixes storytelling, pathos, and bed-wettingly funny insights to take you to the modern woman's teetering edge. Hop on the roller-coaster ride with Libbi and explore how to be the woman you know yourself to be, as well a 21st century Mum.
