ACKNOWLEDGEMENTS

MESSAGE FROM PRINCIPAL – JIM LAUSSEN

This is the 18th edition of the Parents and Friends Directory and what an invaluable resource it has become over time.

Not only is the directory a handy source of excellent, known, services for those of us seeking such but it provides also a means by which we can support the businesses of members of our community.

We know that many communities have been impacted over the last two years; few areas as significantly as our part of Melbourne given the types of industries in which our families tend to work. Therefore, our directory provides a wonderful place of direction for finding a business that is run by many of Overnewton's families and friends. Using the businesses in this directory is a helpful way of supporting our community members as well as finding services we can trust.

I commend all of the businesses contained within this directory to you.

Thank you to Janine Hilton, the Executive Officer of the P&F, and Scott Gowland, for continuing to coordinate this publication over many years.

MESSAGE FROM STEVE DE ARAUGO - P&F CHAIRPERSON

Once again the Parents and Friends Committee are proud to provide the Overnewton Community with our updated 2022 P&F Services Directory

Through this invaluable resource, we aim to support our Overnewton families, past and present by not only promoting their business, but also increasing awareness of products and services that are offered by our families, Old Collegians, local businesses and or wider community networks.

By accessing the wide and diverse range of offerings available, we are helping to build a stronger and healthier community spirit, which is truly needed during these challenging times. We hope parents will use this resource as their primary search method when looking for a local product or service.

We wish to thank everyone that contributes to and supports this great resource.

OVERNEWTON PARENTS AND FRIENDS MISSION STATEMENT

*“The Overnewton Anglican Community College
Parents & Friends Committee will support the College
Board and the School Administration in its efforts
to continually improve our school Community
through our Fundraising, Management of the
Workgroup Committees, the Parent Support Teams
and the Family Involvement Program.”*

WOULD YOU LIKE TO ADVERTISE IN OUR NEXT DIRECTORY?

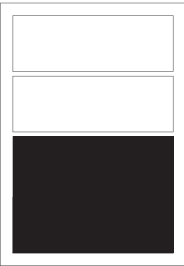

A link to the Parents and Friends Services Directory is sent to every current family at the College, staff and Old Collegians. It is also sent to all advertisers and line listings promoted within the Directory. The Directory is also downloadable as a PDF on our website.

That's a lot of opportunities to get your message out to our College Community
