WELCOME TO THE FINAL EDITION OF WHISPERS FOR 2011

Our year comes to its conclusion with a wonderful array of celebrations and final assemblies, all of which provide us with opportunities to acknowledge the achievements of our students over the past eleven months and to say thank you to many for the incredible contributions that they have made to the life of Overnewton College.

Commencing with the truly beautiful Junior School Carols Service at St Paul’s Cathedral, there have been two Year 4 Celebrations, two Year 8 Graduations, the Senior School Awards Assembly, and two Junior School Christmas Concerts, with the Middle School and Canowindra Final Assemblies still to come at the time of writing this article. Additionally, several band concerts have been held to showcase the work of students in their classroom music and those that have had private tuition over the year.

It is an exciting time of the year and one that always provides opportunities to celebrate the successes of our students and to marvel at the incredible skills of so many.

This is the time of the year when our teachers have been busily writing their final reports too. I received an email from one of our teachers who had just finished writing the reports for her class. She emailed me to say how grateful she was to have such an opportunity to reflect on the amazing growth that had occurred in her students over the year; she said that she had become quite emotional as she did so. As Gabe Alessandrini often reminds his staff, it is a great privilege to have children entrusted into our care and here was a staff member who was extremely thankful that she was able to experience that privilege.

In each of the award assemblies, I have had the opportunity to make a final reflection about our year’s theme: “Making Connections”. Over the year, we have spoken about the importance of students making connections with each other, with the feelings of others and with their learning. In the final assemblies, I have reminded students that the most important connections that they make in their lives are the ones that they make with their families. The Christmas period provides the perfect opportunity for each of us to revisit these connections.

Whilst for some, the Christmas period will provide a tinge of sadness due to bereavements or illness, I hope that every member of our community enjoys some quality time with members of their families. I wish you some moments of pure joy as you play and celebrate with your children, parents, grandparents, cousins, aunts and uncles and that these moments will serve to strengthen the connections within your family that we know as a College are so important, not only to each of us as individuals, but to each of us also as productive members of the local and wider community.

I am grateful for the work of so many over the course of the past year in making the Overnewton community such a vibrant and active school community. The on-going contributions of staff and families ensure that we provide the best education we can for our children and this is so important. To those families and the three staff that leave us this year, I wish you all the best and hope that you will always remember your connections to this community. To those that return in 2012, I look forward to seeing you all again in the new year, refreshed and recharged ready for an exciting year ahead.

Our Junior School Christmas concerts this year had a strong emphasis on finding the true meaning of Christmas. The birth of Christ reminds us of the importance of giving, and being kind to each other. In the business of the next few weeks, I hope that all members of our community can find some moments to experience the happiness of being with people you love and the joy that there is in giving the gift of doing something special for others.

May I wish you all a truly merry Christmas and a happy New Year.

From the Principal, Mr Jim Laussen
jim.laussen@overnewton.vic.edu.au

College Mission Statement
Overnewton Anglican Community College encourages and supports its students as individuals to achieve at optimum levels in a broad range of curricular and co-curricular activities and to prepare them for life as responsible members of the community with sound values based on Christian faith. The College will maintain a strong sense of community values and strive to ensure that its educational program is widely accessible and that parents, the community and the Anglican Church enjoy active roles in the life of the College.
ACS SUCCESS

Congratulations to all of the students in Years 7 to 9 who were involved in the ACS summer season this year. It was a great performance by all of the students with fifteen teams qualifying for grand final play offs. Special congratulations to all of the students and coaches in the following ten teams that won their respective premierships:

This is an outstanding achievement and one of which we are all very proud. Well done!

WORKING BEE THANK YOU

Thank you to all of the parents that attended last Saturday's working bee. To have 90 parents in attendance for the last working bee of the year is fantastic and the Campus is spotless for the final week of school for the students.

I would like to take this opportunity to thank all of the parents that attended the working bees this year. The Campus has never looked better and this is due to the efforts of all of the parents who have worked tirelessly over the course of this year. Thank you also to those parents for whom this has been their final working bee. We are very grateful for all of the hours you have contributed to the College over the years.

I would also like to thank the working bee coordinators who provide excellent leadership at the working bees, ensuring that all of the tasks are completed. Their efforts and the efforts of all parents are greatly appreciated.

END OF THE 2011 SCHOOL YEAR

The end of the 2011 school year is with us. It has been a wonderful year with many excellent learning opportunities for our students.

At the end of this year we say farewell to the following staff members whose short term contracts with the College have come to an end: Domonique Benkenstein, Ian Thompson, Hannah Wilson, Debbie Pilai, Anu Singh. We thank Domonique, Ian, Hannah, Debbie and Anu for their contributions and wish them well in their future endeavours.

We also say farewell to Bianca Kline who will be on leave for all of 2012 and to Liz Richards and Jo Leech who both will be going to the Keilor Campus. We thank Liz and Jo for all their outstanding work and contributions over the many years they have been with us at the Taylors Lakes Campus and we are glad that we can still catch up with them at the Keilor Campus.

To any students and families who are leaving us at the end of the year, we would like to thank you for your contributions to the College and we wish you all the very best in the future.

I would like to thank all of the students and their families for a wonderful 2011 school year. I wish all of you a very happy and holy Christmas and a fantastic new year. I hope the holidays are a time for rest and relaxation and a time to catch up with family and friends. If you are travelling, have a wonderful time and stay safe. I look forward to seeing you in 2012.

There is a lot to look forward to in 2012. Throughout the 2011 year, we have watched the development of the new Junior School building with great interest and excitement. Junior School staff members have been planning curriculum innovations that will match the new learning spaces and are looking forward to implementing them in 2012. As you can already see, the completed building will be very different in appearance to that shown in this photograph taken in Term 2, when the first panel was put in place.

STAFF FAREWELLS

Ben Jeacocke joined the College in 2003 and has held a variety of roles in the Senior School, including Head of Edison House, VCE Coordinator and Deputy Head of Senior School (Pastoral Care). He is highly regarded by students, families and colleagues, having been involved in many sporting, pastoral care and House activities, as well as developing a range of policies and practices in the Senior School. He is very effective classroom teacher whose students have enjoyed strong VCE results. Ben leaves us for a senior pastoral role at St Michael’s Grammar School.

Leanne Winter has worked at the school since 2007, mostly in the Middle School and leaves us to return with her family to Western Australia. Brydie Gleeson has been a member of the Middle School staff since 2008 and leaves us to pursue options out of Melbourne. Heather Ko also leaves us having been a Year 4 teacher for two years, during which time she has developed a great rapport with students and colleagues. Bea Awiatte leaves the College after 18 months working with our Indonesian classes. Her experience and her professional standing has been an asset to our students, particularly at senior levels. Kimberley Samanes leaves us after working in the Middle School with great competence in 2011 to travel with her husband.

Lisa Pollard and Briony Harris commence family leave and we look forward to exciting news from them in the coming weeks. Katie Overman, Rebecca Campbell and Michelle Bonvino also commence leave and I wish them well. Sophia Chishkovsky and Hannah Wilson also finish their time with us as string teacher and AFL trainee respectively.

Good luck to all of these staff in their future pursuits.
JUNIOR SCHOOL - KEILOR CAMPUS

The final week of the 2011 school year proved to be one of the busiest and concluded with the wonderful Christmas Concert on Monday.

A small, but industrious team of teachers led by Miss Gubbels and Miss Crandles has been working throughout this term to put together such a wonderful event. It was a fitting final assembly and the children were delightfully entertaining.

This week we also announced our 2012 Junior School captains after the completion of an extensive process. A full list of captains will be printed in Whispers next year. This process has been part of a review of the entire captain system in the Junior School. Another outcome of the review is the discontinuation of the Class Captains as they are presently known. Instead, a monitor system will be introduced into all classes. The monitor system will be more reflective of our “You Can Do It!” program where all children are provided with opportunities to develop the skills of persistence, confidence, resilience, organisation and getting along. It also recognises that every child is important and has the inherent qualities of a leader. The classroom monitor system will provide more balanced opportunities for these qualities to be developed in all students throughout the year. Underpinning this change is the belief that, after working through this system for the first four years of Junior School, our young students will have had many more opportunities to demonstrate all of their personal qualities, including leadership skills. At the end of Year 3, the captain selection process as outlined in the ‘Year 4 Leadership Program’ documentation will be implemented.

At a special House assembly on Tuesday the winning House for Term 4 was announced. Mrs Pollard presented the Junior School House trophy to Bailey Hunt and Ruby Weeks, Matthew Sofianos and Stefanie Geogallis, the Captains and Vice Captains of Edison House. Mrs Fitzgerald-Tate also joined our assembly with the Middle School Curie captains to inform the students that the Curie had won the College House trophy for 2011.

This year we farewell three teachers from the Junior School. Heather Ko joined the Overnewton community in 2010 as a graduate teacher. Heather has very capably taught Year 4 for the past two years. Heather has decided to leave teaching to pursue some travel and further her studies in the health/science field. We may continue to see Heather’s bright smile on occasion, as she plans to do some emergency teaching for us in the future.

Michelle Bonvino is taking twelve months leave in 2012. Michelle also plans to travel, including a lengthy stay in Italy. Michelle has been Head of Curie House for three years, has co-ordinated the recycling program and the Science Talent Search competition. We look forward to Michelle’s return in 2013.

Lisa Pollard has been at Overnewton for three years and will be taking maternity leave in 2012. Lisa has most capably fulfilled the additional role of House coordinator over the past two years. We wish Lisa well and look forward to a visit from her when her baby arrives next year.

We are welcoming three new teachers to the Junior School in 2012.

Miss Kersti Fitzgerald has joined our team from Mill Park Heights Primary school where she has spent a number of years in both Prep and the Pre-Prep program. Kersti has also fulfilled the role of curriculum level leader and is presently completing her Masters in Education in Early Childhood development. Kersti also spent three years teaching in London in the equivalent Prep program and she also fulfilled various leadership positions whilst there. Kersti will be teaching Prep next year and has already met her 2012 class and their parents.

The other new face to our Prep team will be Mrs Maryanne Phelan. Maryanne joins us from Genazzano FCJ in Kew, where she has been teaching Prep to Year 2 for the past seven years. Maryanne has also spent a number of years teaching primary classes in catholic schools. Maryanne has held leadership positions such as Student Welfare Co-ordinator and PMP Co-ordinator. She brings a wealth of teaching lower primary students in independent schools to our team. Like Kersti, Maryanne has spent a transition sessions with her 2012 class and met the parents at the Prep Information Evening.

The third appointment is to the newly created position of Lower Primary Co-ordinator. Leadership in the Junior School has been restructured with the two Deputy Heads of School being supported by two Co-ordinators (Lower – Years Prep to 2, and Upper - Years 3 and 4). Mrs Piper has been appointed to the Upper Primary co-ordinator role.

The appointment to the Lower Primary Co-ordinator role is Mrs Petra Parker who joins us from St Albans East Primary School. Petra has a Postgraduate Bachelor of Teaching and also a Bachelor of Early Childhood Studies. Most of Petra’s experience is in Years Prep and 1, however she is presently teaching a Year 3-4 class. She is the level leader at her present school and the numeracy co-ordinator. She has previously held the position of Prep Transition Co-ordinator. Petra has also worked in Japan and she has been the director of a kindergarten. She comes highly recommended from those that have worked with her. Petra will be teaching a Year 2 class in 2012 and met her students this week during Step-Up morning.

On Thursday all students spent some time in their 2012 classroom with their new classmates and teacher. We will be commencing Term 1 in the present building while the final touches are put on the new Junior School building. The ‘big shift’ will happen early in Term 1 and we are very much looking forward to working in this outstanding environment.

On Tuesday evening we farewelled our Year 4 students at their Celebration Evening. This group of students has provided excellent leadership for all others. They have consistently demonstrated confidence and pride and have applied themselves most studiously to their work. They have truly been a delightful bunch. The Vice Captains, Madison Patamisi and Ben Pierias, in conjunction with the School Captains Simon Borzillo and Laura Wright are to be congratulated on the excellent leadership they have demonstrated.

The year of ‘Making Connections’ has passed and the Overnewton community has certainly embraced this theme. The Junior School parents have been welcoming and supportive, the teachers have been kind and caring and the students have been open, honest and friendly. Although the theme will change next year, the spirit of connection will remain. Wishing all families a Merry Christmas and hoping that everyone will have time to spend some special moments with loved ones.

Anne McNaughton
The following students received a Student of the Week Certificate this week.

2G **Thomas Barbuto** for the great improvement he has made with his reading.

2G **Sam Rachmani** for approaching mathematical tasks with a positive attitude and applying efficient strategies.

2G **Maddison-Lee McArthur** for always being a polite and thoughtful class member.

2G **Claudia Bozinovski** for approaching mathematical tasks with a ‘have a go’ attitude.

3C **Jared Tan** for always contributing to class discussions and for being an engaging learner.

3C **Lucas Stavris** for working well in small groups and with a partner.

3G **Daniel Saunders** for showing persistence in getting the good copy of his story finished.

4K **Daniel Murra** for being ready to listen to instructions when sitting on the floor and confidently participating in all activities.

4K **Catherine Ioannidis** for being confident in her learning and giving everything her best shot.

4K **Oscar Gauci** for demonstrating resilience and bouncing back when he was faced with a problem in the school yard. He focused on his work and didn’t let the problem bother him in class.

4N **Alan Wu** for demonstrating great persistence in monitoring his reading for the loss of comprehension.

**JUNIOR SCHOOL - TAYLORS LAKES CAMPUS**

Last Tuesday the entire Taylors Lakes Campus Junior School joined with the Keilor Campus Junior School to take part in a beautiful Carols Service at St Paul’s Cathedral in Melbourne. A selection of Year 4 students took part in the service along with our Junior School choirs. This was a most impressive event with over 1000 people in the Cathedral to share in the touching Christmas Service. The Choir sounded spectacular as they sang their Christmas Carols with many audience members joining in. It was lovely to watch the Prep children sitting at the front of the Cathedral singing with such enthusiasm. Special thanks must go to Reverend Kim Cruckshank, Father Kenneth Lay and our Chaplin Mrs Alison Stephens for putting together such a fitting service to end the 2011 school year. I’m sure the parents in attendance will agree that the service will hold memories for the children for years to come.

We enjoyed our final Prep Transition session last Thursday for the 2012 Preps. This session had the new students walking into their classrooms with confidence and enthusiasm; there were certainly no sign of tears. With this being the children’s fourth visit to the College, all fears have been allayed. The parents enjoyed an information session presented by staff from each specialist area including LOTE, PE, Library, Performing Arts and Visual Arts. The feedback from parents about the more in-depth transition for new Prep students has been extremely positive and I am most grateful to the staff involved for the extensive work they did in order to ensure it was a success.

This final week of the school year has been one of excitement and, of course, it continued to be extremely busy. We began the week with the Christmas Concert and Final Assembly. The Multi Purpose Hall was packed to the brim of excited family members as the children took part in a musical written by Mrs Carolyn Hernandez. Each year level had a part to play with the Year 4 students being a major focus of the event. A very special thank you goes to Mrs Hernandez for all of her effort, dedication and time that she gave to this event. It was certainly a spectacular ending to our Assemblies for 2011. I would also like to thank Daniel Hernandez, Mr Joel Hernandez and Mrs Paula Hessey for giving up their time to be the live musicians for the concert.

The Assembly also highlighted the 2011 Junior School Captains and Student Representative Council (SRC) members. The children involved in the SRC for the year have done an outstanding job in leading the Junior School through a variety of activities and initiatives related to internationalism, the environment, fitness and adventure and service projects. They have been wonderful role models to all Junior School students and have worked very hard throughout the year.

After thanking our current Junior School leaders, it was time to make the announcement of the 2012 leaders. An intensive process of applications, presentations, short listing and interviews took place over the past few weeks in order to select the students involved in Junior School leadership for next year. There were over 40 applicants this year and only 16 positions available, thus making the decision process one of great difficulty. A full list of the new SRC will be printed in the first edition of Whispers next year. The students will also receive their badges at the first Junior School Assembly in 2012. My congratulations go to each of our new leaders. I am positive they will represent their school well and I look forward to working with each of them in 2012. Miss Joann Sheldon will continue to lead the SRC next year and will also work very closely with each leader.

The Junior School Leadership Program has undergone a complete review and the new leadership model was trialled this year. We were very pleased with the introduction of the SRC and the close link of the student leaders with the Junior School House Program. A part of this review meant that numerous discussions were held about the Class Captains for 2012 and how this fits within the Junior School model. The outcome is to discontinue with Class Captains and introduce a specific class monitor system. This system will allow all of our students the opportunity to lead within their classroom at some time during the year rather limiting this to eight students. The children will experience different responsibilities throughout the year, working towards the major leadership program in Year 4. Please note that badges for classroom monitors will not be given.

It has been a year of many opportunities and a great deal has been learnt by all. There has been significant growth amongst the students and staff have worked exceptionally hard to continue to improve their knowledge of the latest educational initiatives. We look forward to continued growth in the year ahead as we learn more about the National Curriculum and work towards a consistent and strong curriculum programs in the Junior School.

I would like to take this opportunity to thank all of the staff and parents for all of their input into a wonderful year at Overnewton. Most importantly, I would like to thank the children who have been an absolute delight to see each day. I wish you all a very Merry Christmas full of love, laughter and happiness.

**Tracy Fielder**
2011
The staff in the Middle School would like to wish all families a safe and relaxing break. We trust that the children can recharge their batteries during the holidays ready for an exciting 2012. We look forward to continuing to work closely in partnership with families in 2012 and beyond.

Reflection of My Time in Middle School
Stepping into Middle School felt like a completely different place compared to Junior School. Looking back on the four years we have been here for, we can say that it has been a memorable time for us, and has definitely flown by very quickly.

Rewinding back to Year 5, we remember coming into a class with many new students, lockers, and new teachers. By the start of Year 6, it felt like we had all known each other forever and WE felt cool because we were no longer the youngest year level in the Middle School. In Year 7, we were in classes with teachers that we had never met before and with a lot more new students than in Year 6- none of these factors stopped us from having a memorable year in Middle School though. Finally, in Year 8, we were given so much more responsibilities and work. We all figured out that no matter what, we had to stay on task in class, focus on our learning and do our best.

I will surely miss being in this Middle School court yard next year in Canowindra, and having a smaller number of people in our year level. Middle School as a whole is a great place to learn and grow as a person, and it flew by so quickly! Thanks to all the staff, our friends & our families for all of their support.

by Tynique Pace

Being in Year 8
Being Year 8s meant great responsibility. We weren’t only students in the Middle School; we became role models for the younger students. At the end of Year 7, each student was given the opportunity to apply for the 2011 leadership positions. These positions consist of: house captains, vice house captains, chapel captain, leader of the SRC, 2 middle school captains and 2 middle school vice captains.

The House carnivals this year was completely different to previous years, instead of being bossed around by other people, we were the ones bossing all the younger kids around. The Year 8s all helped there House captains by organising students for their events.

In Term 3 the Years 8s went on an educational excursion to learn about the different types of religions, we all went to the Jewish synagogue, Islamic mosque, and Hindu temple. On this excursion we Year 8’s learnt a lot about different cultures and religions. This day made us look at other religions differently.

The Year 8 camp was completely different to any other camp we had been on. We went on a nine hour bus trip to Canberra. Waking up at 6am seemed to be an issue with all the Year 8s, and the food didn’t put a smile on our face either. During the camp, we visited Parliament House, the War Memorial and the governor general’s house. Besides full day activities of learning, we also got to have a break by going to Quest icon, bowling and the movies where we and the teachers got to catch up on their beauty sleep. Doing all these activities meant late nights and early mornings, so it was no wonder why everyone was so glad to be back home.

The Year 8s once again participated in the ACS Sports Program, giving us a chance to compete against other schools. This year we had a record amount of Year 8 teams winning their winter sport grand finals. 6 teams finished 1st from Year 8.

This year, each Year 8 class watched the movie Remember the Titans. The task of writing an essay frightened most of us, but then again it is a challenge that we need to get used to. This movie showed the powerful themes of respect, friendship, persistence and leadership.

8O is definitely going to be a class to remember for having many funny moments from meeting each other at the start of the year, to preparing for this special night at the end of the year. We know many of us are anxious about moving onto Year 9, but excited at the same time. We also know that many 8O class members will be sad for not only leaving the Middle School, but for leaving a special class with a lot of great students along with a wonderful teacher, Mrs Overman. We cannot thank her enough for teaching us all our knowledge of Maths and Science Even though at the end of the year, we knew that we had way too much Maths. We could not have made it through the year without her kindness and patience with us all, even in the hardest of times. Year 8O students have bonded from the start of the year and progressed our friendships all the way to the end of the year, and we will hopefully continue these friendships in Year 9.

There were a number of mixed feelings towards the end of Year 8, knowing that in a few months time; we would be leaving this campus to join the other Year 8s in Canowindra. We knew it was going to be sad but exciting as well because everyone was going to make new friends, and be able to do the subjects which they find interesting.

We would like to thank all of the teachers who have educated us into the fine young adults that we are becoming. And finally we would like to thank all of the students who have helped make our final year of Middle School the best it possibly could have been and we are sure that all of 8O will agree that this has been the best year with the best class.

by Anton Longitano and Jessica Barressi

STUDENT ACHIEVEMENT
Congratulations to Lachlan Johnston who competed in the recent Grappling Australia Ju Jitsu Tournament held at the State Basketball and Netball Centre in Parkville. Lachlan placed first in the Victorian 55kg division. Lachlan has been studying Martial Arts since he was six; he holds a First Degree Black Belt in Karate and is currently Austral-Asia’s Highest Ranked junior in the ‘Cheng Ming’ Style of Kung Fu.

AUSTRALIAN MUSIC EXAMINATIONS BOARD
Mary Christodoulides 5G Awarded a Pass with Credit in Practice of Music Preliminary in the subject of Piano for Leisure
Madison Shanahan 6MN Awarded a Pass with Credit in Practice of Music First Grade in the subject of Singing for Leisure
Eleni Mitris 6MN Awarded a Pass with High Distinction in Practice of Music First Grade in the subject of Singing for Leisure

READ WHISPERS ONLINE AT: www.overnewton.vic.edu.au/whispers
As part of the “Conditions of Entry” to Overnewton Anglican Community College, signed by all families upon confirmation of enrolment “One full term's written notice is required to withdraw a student from the College. If one full term's notice is not given to the College, one full term's fees will be charged.”

If you have a child who will not be returning to Overnewton in 2012 please ensure that you notify the Registrar, Mrs Diane King in writing.

SUMMER GRAND FINALS YEARS 7-9
This week marks the end of the summer season for 2011 with the grand finals being played in Years 7 – 9. This has been our most successful summer season to date with fifteen teams from Years 7 – 9 making it to the finals this year. We are also hoping to surpass the record number of winning teams Overnewton achieved from the winter season this year which was seven victories. As stated in previous articles finishing on top of the ladder is no guarantee of achieving the win so all fingers were crossed when we sent all of our teams out to compete in the finals.

We started off on a very good note when our Year 9 girls’ soccer team came home with the win last week. This week it was the turn of the thirteen Years 7 and 8 teams to compete on the Tuesday and then our last grand final was for our Year 9 boys’ basketball B team on the Thursday.

It was a good day for Overnewton on the Tuesday with eight of the teams coming home victorious surpassing the number of winter wins. In a number of the other finals the results were very close and Overnewton could have had a few more trophies in the trophy cabinet at the end of this season. The closest result of the afternoon was in the Year 7 boys’ table tennis match with result decided by two sets played to seven games each. Westbourne won these sets and this gave them the victory. It was a fabulous effort by the boys and congratulations on a great season to them and their coach Sandra Spencer.

The Year 8 boys’ hockey reached the finals again for the second year in a row. Their opponent again was the team they played as Year 7s and the result was the same; however, the scores were much closer this time around. The boys had a sense that they could actually beat them this year and put up a great fight in the second half only losing it by a goal. Maybe they will get them next year! Congratulations to the team and their coach Winco Singh.

The other runner’s up from the Year 7 and 8 teams were the Year 7 girls’ soccer only losing by 1 goal, the Year 8 boys’ basketball A going down by 9 points and the Year 8 girls’ tennis team defeated by 4 sets.

On the winner’s side of the ledger were both of the Year 7 boys and girls’ softball teams. Both of these teams finished on top of their respective groups and the girls never lost a game but the boys dropped a game during the season. Both of these teams dominated the finals and were massive runaway winners even from the early parts of their games. The girls made their first triple play of the season in this final and were fantastic in their level of sportsmanship throughout the season. Congratulations to the girls Michela Bajraszewski, Steliani Constas, Emily Earl, Liana Fisichia, Charlotte Lake, Megan Lam, Kaya Mirabile, Aimee Moreos, Lauren Ould, Chloe Papadopoulos, Emily Stancombe, Giordana Spataro, Jada Szeto, Karlene Ta, Jenny Troung and Elyse Wright and to their coach Phyllis Downward (parent). The boys team was coached by the ex College, Allstars Troung and Elyse Wright and to their coach Phyllis Downward (parent).

Robert Papageorge, Sebastian Patamisi, Sam Tenni, Lucas Vella, Jayden Vella and Daniel Venables and their coach Kyle Downward (Old Collegian).

The Year 7 girls’ volleyball B team had the furthest distance to travel to play their final and that was all the way to St Leonard’s College in Brighton. After the first two sets the game was evenly poised and could have gone either way. A very dominant third set saw the Overnewton team surge ahead and they were never headed in the fourth and final set. Serena Huynh, Maria Ignatidis and Sabrina Wong displayed excellent serving and digging techniques during the game to keep the ball in play. Congratulations to the girls Freya Clemens, Sherena Huynh, Maria Ignatidis, Tracy Nguyen, Joanna Nicolo, Cindy Phuong, Cassandra Torey, Sabrina Wong and their coach Kim Ooi (parent).

We had two teams making volleyball grand finals and the second team was the Year 8 girls’ volleyball A team. It was a tough and tight first set with the set going to Overnewton by 2 points. The second set was a little easier but in the third it tightened up again and could have gone either way. The team hung in there, kept their heads and most importantly kept returning the ball across the net into the opponent’s court to win crucial points. The Overnewton team clinched the third set by 3 points giving them the win. Congratulations to the girls Liana Konjarski (captain), Jacqueline Hill, Victoria Marquardt, Stevie West, Sarah Richardson, Danielle Rosales, Britany Wanhym and their coach Carolyn Sadler and Tony Abboud.

It was an impressive sight on the Taylors Lakes Gymnasium this week with the boys’ basketball A team displaying great skills and putting into practice the moves taught to them by their coach just moments before the game started. The team got off to a 10 – 0 start in the first quarter, then the other team settled and started to score. However, right throughout the game the team was never in risk of losing as they maintained this early advantage. Strong rebounding from Norma Dimitrijevic at both ends of the court kept the ball alive for the Overnewton team. Harrison Bult led all scorers with an impressive 21 point game. He was well fed by the guards Andrew Bellinger, Joseph Catalano, Thomas White and Riley Caines. It was a pleasure to witness the team approach applied by the boys when they move the ball from defence to offence throughout the game. The team ran out winners by 31 points, so congratulations to the team and their coach Kate Keogh.

Another big winner from the grand finals was the Year 7 girls’ tennis team who won their match by 5 sets. Dropping only 2 sets from the singles encounter, the team were in a winning position but still needed to win at least 2 of their doubles games to ensure the victory. After winning their singles encounters quite easily Georgia Hubble and Isabella Markovski, number one and two respectively, gave Overnewton the vital 7th set to enable the win. This is made more impressive knowing the team did not have their number 1, 3 and 7 ranked players playing in the finals. All of the girls had to step up and they did to give Overnewton another win. Congratulations to Georgia Hubble, Isabella Markovski, Tessa De Waart, Jenna Koutsantonis, Melanie, Damecevski, Eliza Haddad, Kate Koukoulis, Mei Hong and their coach Veronica Johnston.

Our second win on the basketball court was the Year 8 boys’ basketball team who won their encounter by 12 points. After seeing the A team going down to the same school they had to play in their final, the boys were determined to square the ledger between the two schools. Leading scorers from this match were Josh Richter (12 pts), Jeremy Bortoli (10 pts) and Michael Harsic (Continued on page 8).

READ WHISPERS ONLINE AT: www.overnewton.vic.edu.au/whispers
Our last final on the Tuesday was the replay of the 2011 cricket final where as Year 7s the Overnewton team lost the match on the last ball of a ‘super over’. The coach and students were determined not to repeat this and started off the proceedings with a superb fielding display bagging 8 catches including two from Jackson Smith and Daniel Raniolo, one each from Billy Neville, Josh Djukanovic Trent Purches and Jake Sexton. Trent also scored a run out. Clayton Bonello was outstanding with the ball achieving figures of 4/8. Jacob Hazeldine bowled beautifully with 3/8, Josh Nunn 2/1, Jackson Smith 1/10. They were a bit nervous with the bat but James Porto made a captain’s knock, not out 22 runs. Clayton Bonello hit the winning run that was a fitting end to a great season.

Congratulations to Clayton Bonello, Joshua Diaz, Joshua Djukanovic, Jacob Hazeldine, Tremayne Johnstone Bevan, William Neville, Joshua Nunn, Adam Pisani, James Porto, Trent Purches, Daniel Raniolo, Sahil Sapra, Jake Sexton, Jackson Smith, James Wrot and coach Adam Cusworth.

We finish off this fantastic season with the last final played between top of ladder Thomas Carr and second placed Overnewton in the boys’ basketball B game. The team travelled to Thomas Carr with the bare five players which meant they had to last the entire game without any chance of a substitution. With consistent scoring from Rocco Catalano they were able to achieve a 2 point lead at the end of the first half. Knowing that they were going to struggle in the second half from no rest, they dug in and outscored their opponents 16 – 9 securing them a 9 point win. Congratulations to Rocco Catalano, Damian Vella, Timothy Higgenson, Christian Hudic, Joshua Kimpion and coach Liam Glascott (MSI).

Congratulations to all students and coaches were their efforts during this year and their commitment and dedication is evident across all areas. Students are reminded to return any ACS uniforms borrowed throughout the year as soon as possible please.

Nikki Little and Janene Lokaj
Heads of Sport

JUNIOR SPORTS PROGRAM

BASKETBALL RESULTS
UNDER 10 GIRLS (Overnewton 1)
This week we played the top team and we really gave them a run for their money. The score was even all the way to the very last 38 seconds – when Aberfeldie Jets scored the winning goal. Great effort Overnewton Fire.
Final scores: Overnewton 1, 14 – Aberfeldie Jets 1, 16

UNDER 10 GIRLS (Overnewton 2)
The girls played a brilliant defensive game this Saturday against St Christophers. They were defeated however played a much improved game. Well done girls.
Final scores: Overnewton 2, 1 – St Christophers1, 34

UNDER 10 BOYS (Overnewton 1)
The boys proved too strong for the opposition this week keeping them from scoring except for 1 goal in the first two minutes of the game. Our boys took control and had a good win.
Final scores: Overnewton 1, 16 – Salvo Saints 1, 2

UNDER 10 BOYS (Overnewton 2)
The boys fought hard but were unable to keep up with the pace of Keilor Village 1.
Final scores: Overnewton 2, 6 – Keilor Village 1, 27

UNDER 12 GIRLS (Overnewton)
The girls came up against some tough opponents this week, a team who had a lot more experience under their belts. They fought hard all match but struggled to score goals.
Final scores: Overnewton 1, 6 – St Bernards 1, 24

UNDER 12 (1) BOYS (Overnewton 1)
This week the boys came up against St Bernards in a fast paced game with both teams shooting goal for goal in the first half. St Bernards were up by 2 points at half time. With 10 minutes to go in the second half our boys were looking tired however after half time found their feet and came home strong to win by 5 points. Well done boys.
Final scores: Overnewton 1, 23 – St Bernards 2, 18

UNDER 14 (1) BOYS (Overnewton Fire)
The boys started off slowly this week and struggled to score early on. They made a come back in the second half and their shooting was more accurate. However, the opposition were older, taller and more experienced, which made a win difficult.
Final scores: Overnewton 1, 16 – Taylors Lakes 7, 40

UNDER 14 (2) BOYS (Overnewton)
The boys played well as a team and defended very well to get the ball off the other team. Lots of great moves and passing and many shots for goals but didn’t quite get them in. The boys have improved from early days. Keep up the good work boys.
Final scores: Overnewton 2, 10, - St Christophers, 19

UNDER 14 (1) GIRLS (Overnewton 1)
The girls started off strong against Taylors Lakes 4, going into the break with a clear lead. Taylors Lakes came back in the last five minutes of the game to get within 1 point. A spectacular 3 pointer from Bonnie Holman secured the girls a win.
Final scores: Overnewton 2, 24, - Taylors Lakes 4, 18
# CLASSROOM ASSISTANCE

Classroom Assistance positions for both Keilor and Taylors Lakes Campuses will be advertised through the Whispers on a weekly basis. Most positions require a regular weekly commitment for the whole year, although in specific cases you may be able to alternate with another parent or join a roster. You are invited to apply for any position, even if your child is at another campus or different year level. Please note that the person you will be telephoning is a parent fulfilling their 18 hour commitment, so please do not phone before 7.15am or after 9.00pm. Younger siblings or sick children cannot accompany parents whilst on duty. A blue Classroom Assistance folder is kept at the Front Office at each campus to record your hours.

## Recording Hours

A reminder to parents that it is your responsibility to record your own hours for classroom assistance and excursions in the folder at the front office labelled Classroom Assistance. Please ensure you write legibly and include details of your child, including the surname if you have a different name to your child, and your home telephone number. These hours are collated at the end of each term.

## Working with Children Check

It is a Victorian Government requirement that all adults working with children have a current Working with Children Check with Overnewton College listed as a volunteer organisation. If you need to amend your details to include Overnewton College a ‘Change of Personal Details Form’ can be downloaded from the Department of Justice website [www.justice.vic.gov.au](http://www.justice.vic.gov.au). Please ensure you have your card number or Post Office Receipt number when you phone to register your name.

Thank you to all the families who have been involved in the Classroom Assistance program this year. Your support is invaluable and enables the children to take part in many activities that otherwise would not be possible.

**Merry Christmas to all of you. Have a wonderful and safe break and I look forward to your support in 2012.**

### 2012 – Years 5 – 9 House Swimming Carnival – Taylors Lakes Campus

Parents are required to assist with the Year 5 – 9 House Swimming Carnival on Friday 24th February from 8.30am – 3.30pm at St Albans Leisure Centre.

**Tracy Wright 9336 7294** tracy.wright@overnewton.vic.edu.au

### 2012 – ACS Swimming Carnival Years 7 – 12 (both campuses)

Parents are required to assist with the ACS Swimming Carnival on Thursday 15th March from 9.00am – 5.00pm at Melbourne Sports & Aquatic Centre (MSAC).

**Tracy Wright 9336 7294** tracy.wright@overnewton.vic.edu.au

---

**HELP US PLEASE!!**

INCLUDE HOME TELEPHONE NUMBER 9334 0000

When recording hours contributed toward the Family Contribution Scheme please write your home telephone number (NOT mobile number) as this will assist us to ensure your hours are allocated correctly.
**First Aid Co-ordinator required for Taylors Lakes Campus**

A new First Aid co-ordinator is required to assist with orienting new parents to the first aid room (hence need to be available on different days of the week), to update and collate parent hours, to take parent calls and to assist the school nurse and other first aid co-ordinator with rostering where necessary. Please submit your written application as soon as possible to Karen Potter, School Nurse Taylors Lakes Campus, so this position can commence at the start of the 2012 school term.

---

**MUSIC LESSONS**

**Instrumental Lessons for Term 1, 2012**

Private instrumental student lists are now being finalised and timetabled for Term 1, 2012. If you would like to commence private instrumental lessons, or if you are choosing not to continue with private instrumental lessons at the end of Term 4, please advise Tania Riotto **in writing** or by email to tania.riotto@overnewton.vic.edu.au before Friday, 16th December 2011.

For students wanting to enrol in private instrumental lessons there are limited places available and some instruments do have a waiting list. When a position becomes available for these instruments parents will be contacted.

Any student currently enrolled in private instrumental lessons that **do not** put their intention to discontinue lessons for Term 1, 2012 in writing to Tania Riotto before Friday, 16th December 2011 will be considered to be continuing and invoiced accordingly.

Please note: **Students must commit to learning an instrument for the full term and lessons that are discontinued once the term has begun are not refundable.**

If you would like any further information on private instrumental music, please contact Tania Riotto via email and she will respond to you accordingly.

**Hire Instruments**

All instruments currently being hired that are no longer required going forward are to be returned to Tania Riotto before the end of the school term – Friday, 9th December 2011. Any instrument returned after this date will continue to be charged in Term 1 in 2012.

---

**EXCHANGE & REFUNDS**

While we are happy to exchange, you will need to keep your receipt to do so. All exchanges and refunds will only be accepted in the term of purchase.

**ZIP REPAIRS**

Final collection for school bags requiring zip repairs will be **Thursday 8th December** prior to 11.00 am. The bags will be ready for collection on **Tuesday 7th February**.

We ask that you clearly mark your child’s bag with their name and contact phone number and ensure the bags are clean. If you have any queries, please do not hesitate contact Miranda Turner on 9334 0112.

---

**SECOND HAND SALES**

Please note when purchasing second hand uniforms, they must be paid for by Cash Only. Choose well as there is no exchange on second hand items. If you are wishing to drop off items for sale in the second hand section, these items must be handed to Miranda Turner. At no time are they to be left at reception or the front door of the College Shop. All items must be clearly marked with name, address and telephone number, otherwise goods will not be accepted. Blazers MUST be dry-cleaned with the dry cleaning tag displayed and all other items must be washed. We do not accept hats or any items of clothing with holes or stains of any kind (such as paint). We will hold items for sale for a period of 12 months only. At the end of that 12 month period, if they have not been sold, we ask that you collect your items from the College Shop. If not collected, your items of clothing are then donated to the orphanage in Zambia.

---

The College Shop is open **Tuesday, Wednesday & Thursday** every week during term. Please note: the College Shop is not open during school holidays unless advertised in Whispers.

**OPENING HOURS**

- Tuesday 8.15am - 4.30pm
- Wednesday 8.30am - 4.30pm
- Thursday 8.15am - 4.30pm

**IMPORTANT TIMES & DATES TO REMEMBER FOR 2012**

Please note that the College Shop will be open on the following days prior to the commencement of the New Year.

- 9am – 1pm then 3pm – 6.30pm
- 10am – 1pm then 3pm – 6.30pm
- 9am – 1pm then 3pm – 6.30pm
- 9am – 1pm then 3pm – 6.30pm
- 9am – 3pm

**The Uniform Shop will resume normal trading on Tuesday 7th February 2012**

Annual Christmas Gift Appeal.

If you would like to contribute gifts of toys, clothing, non perishable food etc, please drop your donations off at the front office of each Campus.

Anglicare Victoria is always deeply grateful for our contributions, as we share Christmas joy with families in need, and our children delight in seeing the difference a community such as ours can make.

Thank you for your generosity and may your Christmas be truly blessed.

Anglicare Victoria
Toy and Food Appeal
Christmas Wish List

Some ideas to help you choose a gift for a child in need this Christmas

13 – 16 year old adolescents
T-shirts, sneakers, CD’s, tapes, videos, games, books, posters, keyrings, wallets, camera, personal radios, clock, back-pack, beach towels, diaries, calendars, year planners, cinema/book/CD vouchers, sporting goods, accessories from designer shops.

9 – 12 year old children
Books, games, CD’s, tapes, videos, caps, hats, sneakers, t-shirts, windcheaters, netballs, footballs, basketballs, swimming goggles, craft activities, jigsaws, marbles, carpentry set, cooking set, beach towels.

5 – 8 year old children
Lego, board games, balls, bats, paints, pencils, textas, scissors, crayons, art equipment (brushes and paints), musical instruments, videos, beach toys, toy trucks, dolls, jigsaws, socks, items from popular children’s shows, cut and paste activities, prams.

Pre-schoolers, toddlers and babies
Lego, building blocks, crayons, drawing equipment, paints, games, books, shapes, pull-along toys, play-dough, beach toys, bath toys, socks, rattles, mobiles, baby blankets, baby pillows, bibs, jigsaws, book tape sets, videos, cubby houses.

Calendars for Chibobo are for sale in Reception at each campus. At $10 each, and with beautifully captured images, they will make great Christmas gifts.

Help support our friends in Chibobo as they strive for greater education, health and independence.

A large supply of Christmas cards are also available $1 each or 3 for $2. No need to shop elsewhere – get all your Christmas cards right here.

NEED HOURS AND ENJOY A WALK???

Then the “Walking School Bus” NEEDS YOU!!

The Taylors Lakes Campus Walking School Bus is always looking for walkers to drive or conduct our buses. It’s a great way to start the day for both you and your children and it goes towards your 18 hour commitment. (Hours are calculated at double the walk length). The 2 hour training course is also included in your 18 hour commitment.

We have 3 buses operating. The “Wakelin Walkers” bus leaves from Wakelin Crescent. The “Murchison Marchers” bus meets at the car park behind Hungry Jacks. Route 3 starts at Wellesley Drive and goes straight along Palmerston Crescent.

The more Driver’s and Conductors we have the more walks we can offer.

If interested please phone:
Emma Grimaud, mobile 0403 162 657
Email emmagrimaud@hotmail.com

LOST PROPERTY AT TAYLORS LAKES CAMPUS

There is a large amount of UNNAMED uniforms and items of clothing (from camps etc) in our lost property room. If students are missing a uniform item, we would be very happy for parents to come and replace it from clothing available in the lost property.

All unclaimed uniform items and other clothing will be donated to the Orphanage in Chibobo at the end of the year. All drink bottles will be thrown out. Please call our lost property co-ordinator Marissa on 0412 094 406 if you have any enquiries. The lost property room is located in the Multi Purpose Hall, accessible via the door nearest the staff car park side, and is open on Mondays and Thursday from 3.20pm till 3.45pm.
**Combined Working Bee**  
**Saturday 4th February, 2012. Keilor & Taylors Lakes Campus**  

The next combined campus working bees will be held on Saturday 4th February, 2012. Please note that the working bee commences at 8.30am and not before. Hours will only be credited after 8.30am. The day will finish at 4.30pm. Please stay as long as possible so that the tasks organised for the day can be completed. The day will cover projects and general clean up at both campuses. Please bring along your own gloves and any gardening tools you may require, including lawn mowers. Lunch: $5.00  

Please note that children are not permitted to attend working bees.  

**Co-ordinators:**  
Keilor Campus  
Andrew Daalmeyer  0411 269 331  
Taylors Lakes Campus  
Sando Temelkovski  0412 046 811  

(Working Bee dates are also listed on the College website, www.overnewton.vic.edu.au)
A VERY IMPORTANT NOTICE
regarding the
WORKING WITH CHILDREN CHECK

Parents who have a child attending Overnewton College and are interested in obtaining a position for other siblings in their family should contact the Registrar, Diane King on 9334 0141 and request an application form as soon as possible as Prep offers for 2013 has already commenced.
Kids Wanted

to be part of something so very special

Our Kids
Our Nation

Our Kids - Our Nation is an exquisite coffee table book that features our Australian children.

Children from newborn to 15 years old are professionally photographed by an accredited photographer who will be allocated to you upon registration.

One of the images taken of your child will be guaranteed to appear in the Our Kids - Our Nation book.

All that is required is a $50.00 donation for the first child, or $75.00 for all children from the same family, to Muscular Dystrophy in support of its programs, services and research upon registration.

Should you wish to own any of the beautiful portraits taken of your pride and joy, they can be purchased from the photographer.

We are now taking registrations for Our Kids - Our Nation.

A fantastic gift for family members.

Don't miss out. Places filling fast. Register at www.ourkidsournation.com.au
