MESSAGE FROM PRINCIPAL – JIM LAUSSEN

Once again, it is a delight to write in preface to the annual P&F Directory. Our directory has become an extremely useful and helpful resource over many years.

All of the businesses and services listed in the directory are owned or provided by members of the Overnewton Community: parents, old collegians, staff or our suppliers. These are not faceless names to us.

This unique register of businesses and services adds to the many ways that we aim to support members of the Overnewton Community: in advertising their business as well as providing a ready reference to those in need of services.

I can attest to the many many conversations I have had with staff and parents who have found expert and reliable services contained within the directory. I know that we will continue to build community through supporting those who have advertised.

My thanks to Janine Hilton, the executive officer of the P&F, and to Matt Bottos for their ongoing work in producing this publication; one of the important Overnewton publications each year.

MESSAGE FROM CAROLYN BARBUTO - P&F CHAIRPERSON

The P & F Services Directory provides the opportunity for business owners and employees from within the OACC community to advertise and promote their products and services directly to all OACC parents.

OACC families can now use companies they can trust knowing that these providers have a connection with our College.

We hope parents will use this resource as their primary search method when needing a product or service.

If you haven't already used our Services Directory I would highly recommend you do.

OVERNEWTON PARENTS AND FRIENDS MISSION STATEMENT

*“The Overnewton Anglican Community College
Parents & Friends Committee will support the College
Board and the School Administration in its efforts
to continually improve our school Community
through our Fundraising, Management of the
Workgroup Committees, the Parent Support Teams
and the Parent Involvement Program.”*

WOULD YOU LIKE TO ADVERTISE IN OUR NEXT DIRECTORY?

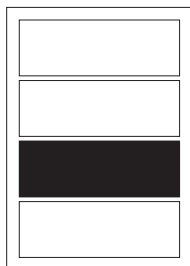

We print approximately 3,000 copies of the Parents and Friends Services Directory every year for free distribution to every current family at the school, staff and Old Collegians. A copy also goes to all advertisers and line listings promoted within the Directory. The Directory is also downloadable as a PDF on our website and all the line listings are published in our online searchable version of the Directory.

That's a lot of opportunities to get your message out to our College Community.
